Sir

I have the honor to forward herewith a copy of my letter No V P P R 43/28-29 dated 30th April 1929 addressed to the Comptroller in Mysore together with a copy of his reply received thereto in the matter of meeting the cost of laying out pipe line for the water supply to Vanivilasapura in the Hiriyur Taluk from the discretionary grant of Rs 500/- placed at my disposal as per G O No 4979 Ml 83-28-15 dated 29th January 1929 It will be seen from my letter of 30 April cited above that the purpose for which the grant is now sanctioned comes within the purview of the Government Order of the 29th January 1929 As however, the Comptroller considers that sanction of Government is necessary, I request that sanction of Government may be kindly obtained in the matter and the same communicated to me very early

Adverting to your letter No 965/W A B Mis dated 29th ulti: enquiring how the cost of laying out pipe line for the water supply to Vanivilasapura, Hiriyur Taluk can be taken as a proper charge under "30 Grants etc " I have the honor to state that the work in question was not sanctioned from District Funds and there was no likelihood of the work being undertaken from the Panchayet itself owing to its poor resources In view of the fact that the work was reported to be urgent, the same was sanctioned from the descretionary grant of Rs 500/- It is believed that such a sanction is contemplated by Government Order of Ist March 1927, referred to in your letter under reply in as much as the work in question is one of Public Improvements of an urgent nature for which funds are placed at the disposal of the Deputy Commissioner

I request, therefore that the grant sanctioned may be placed early at the disposal of the Department of Public Works as already requested
